The past year has been one of the most successful years Atlas Kirby Co. of Albany has ever had and as a consequence there are over 200 new KIRBY SANITRONIC owners in and about the area.

Now, DUE TO CIRCUMSTANCES beyond our control, we are swamped with more nearly new cleaners than we know what to do with.

And this is where you come in. (And we are open Mon., Wed., and Fri. evenings so you can come in). During the month of February you can come in and buy G.E.'s, Hoovers, Lewyt's, Compacts, Kenmores, Airways, Rainbows, and others too numerous to mention at ridiculously low figures. All recent trade-ins on the new KIRBY SANITRONIC.

Proclamation

WHEREAS the door-to-door collection by Heart Fund volunteers, a major event in the 1963 Heart Fund drive sponsored by the Alameda County Heart Association, will be conducted on Sunday, February 24, 1963.

WHEREAS the Heart Fund drive supports the American Heart Association, its affiliates and chapters, the only national voluntary health agency devoted exclusively to combatting disorders of the heart and circulation;

WHEREAS public contributions to the Heart Fund during the past decade are reflected in great advances in heart surgery, in the prevention of rheumatic fever and rheumatic heart disease, in new methods for the diagnosis of heart and circulatory disorders, in new drugs and other achievements in the treatment of the diseases which cause more deaths in this nation than all other causes combined;

WHEREAS there is now great hope that, through the expansion of medical research, answers to unsolved questions about the cardiovascular diseases will be developed thus making possible the alleviation of pain, the prolongation of life, the reduction of economic stress and the increase of useful productivity in Alameda County;

NOW THEREFORE, as Mayor of this city, I proclaim that February be known as Heart Month — and that, more specifically, Sunday, February 24, 1963, be known as Heart Sunday — and that all citizens of this city welcome and give generously to Heart Sunday workers, volunteers who have devoted their interest, time, and energy to this important drive in the public's interest.

Albany Republicans Elect Bill McKenna As President

The Albany Republican Assembly began its fourth year last Wednesday evening by electing new officers for the year. The new President-elect is Bill McKenna; Vice-President, Marion Bailey; second Vice-President, Bill Davis; third Vice-President, Bert Goggins; Treasurer, Troy Lyon; Recording Secretary, Nellie Lyon; Corresponding Secretary, Shirley Royal. Dorothy McCain was appointed as Publicity Director.

Bill McKenna is a charter member of the Albany Republican Assembly and has served in local and community affairs as President of the Albany Better Government Association. He was appointed to the Albany Library Board of Trustees and is currently serving on the Traffic and Safety Commission. He is employed as Assistant Office Manager for the Canada Dry Corporation. A veteran of WW II, he is past Vice-President of the 24th Infantry Division Association.

The new president stated: "Getting excited about issues and politics every four years just isn't enough. Preserving justice and extending freedom requires full time efforts from each one of us. As Americans, we are concerned. While there remains a wall around Berlin, a bearded hoodlum in Cuba and those among us who are ready to cash in their individual liberty for a

price or a promise . . . then we must be concerned."

The installation of officers will be held January 30 at the Cornell School Cafeteria. Installing officer is Dick Frisbee, Northern Vice-President of the California Republican Assembly. Guest speaker for the evening will be Kent Pursel, chairman, County Board of Supervisors. His topic will be: "It Is For the Welfare of All?"

Jay Force, outgoing president, presided.

Communique from Rumford To Cohelan

The Albany Times, yesterday received a carbon copy of the letter re Rapid Transit from Seventeenth District Assemblyman W. Byron Rumford to Congressman Jeffery Cohelan. With this letter was the assurance from the office of Mr. Rumford that new interest to the citizens of Albany would continue to be forthcoming from Sacramento during the current Legislative session. The letter follows:

Hon. Jeffery Cohelan
House of Representatives
Washington, D.C.

Dear Jeff:
I note by a recent television news program that you are preparing to introduce legislation to assist the local rapid transit districts.

For the protection of the local municipalities, and the proper owners, I would appreciate your considering including a clause to allow the local jurisdiction to be included in the deliberations before the final determination made as to where the transit lines should go within their cities.

For example, the case in Albany where consideration was granted to the officials to exercise judgment as to the location of the lines which would traverse their city, but their request was denied. This prerogative is one which should be included in your efforts to assist local districts securing funds for this purpose.

Kindest regards,
Sincerely,
W. Byron Rumford

Reckas Plans Expedition Into Death Valley

NICK RECKAS

N. P. "Nick" Reckas, business man of Albany, just announced plans for a March expedition into the remote sections of Death Valley, California, to locate and possibly photograph the Bighorn Sheep of the desert. There was a time when these animals were actually seen crossing the main highway of the Valley, but with the increase in tourists, the animals disappeared into the lonely ravines and higher altitudes of the Grapevine Mountains. Reckas plans to leave the main road at Hell's Gate at the north tip of the Funeral Mountains, cross over to Death Valley Buttes, and then follow the length of Titanother Canyon into Lostman Spring and on to Titus Canyon. A band of these Bighorns are known to habit this route, since there is a spring for water, and seldom if ever visited by human beings.

Reckas has another reason for going to these out of the way places. On his last exploratory trip to the National Monument, he was inspired to create two unusual gowns for the Continental Fashion Show which he and Mrs. Reckas are directing and

producing for the March of Dimes, to be given on February 14 at the Albany Theatre.

The white sand dunes on the north section of Panamint Valley inspired "the Enchantress", a silver-brocaded evening gown especially for the opera. The treacherous upper slopes of the Grapevine Mountains with the sheer, steel-grey, granite walls, and the sparsely growing pink sweetleaf wild rose inspired a gown for the evening cocktail hour, "The Desert Goddess".

The Albany man is no stranger to the desert. In 1935 he was a member of the late Dr. Bader's archeological expedition to Palestine at Tell en-Nasbeth, northeast of Jerusalem, for the Pacific School of Religion of Berkeley. He at that time visited another archeological site at Jerash, near Amman in the desert wastes of Jordan. This site is on the Road to Damascus. With the help of the Arab Legion, explicit directions were procured, and Reckas traced a part of the route so eloquently described by T. E. Lawrence (Lawrence of Arabia) in his book, "Revolt in the Desert" and later "The Seven Pillars of Wisdom". In Damascus, it was a thrill to walk on the "Street called Straight" as St. Paul had done.

Reckas was asked if he ever considers the dangers involved in such expeditions as the remote sections of Death Valley.

"No," he replied, "I plan accordingly. I ration the canteen water, know my next spring, carry a couple of small loaves of dry bread, and watch my directions carefully."

Chamber Of Commerce Sponsors SBA Service

The Regional Director of the Small Business Administration in San Francisco, Edward L. Turkington, announces that businessmen in Oakland and East Bay cities will have an opportunity for private consultations concerning their management and financial problems. Turkington said that beginning in January, a representative of the SBA will be available on a bi-monthly schedule at the Oakland Chamber of Commerce for these meetings. This is a service in cooperation with the Oakland Chamber of Commerce and the SBA, and is designed to advise and counsel with small businessmen.

In making this announcement, Turkington pointed out that many small business concerns are not aware that small firms are eligible for financial assistance under the SBA lending program when not otherwise available at reasonable rates, or of the other services of the Agency, including assistance in Government procurement and technical matters in the operation of their businesses. Under the SBA lending program, loans are made to eligible businesses to aid in construction or expansion, purchase of equipment, machinery, supplies and materials, or for working capital.

Harold Wilson Featured At Skytown Meeting

"Society and the Young Child" is the subject for the monthly Skytown parents' meeting, to be held Tuesday, February 5, at 7:30 p.m. in the Fireside Room of the First Unitarian Church of Berkeley. The public is invited to attend.

Death Takes Grace North

Albany lost one of its most loyal citizens with the passing of Grace Bancroft North who was 76 years old.

She was responsible for a number of civic improvements within the city. She instigated the purchase of the Key Route right-of-way and the subsequent landscaping which has added so much to the city.

During the depression years, she organized the first school lunch project. The program was so successful that the Albany School Board adopted the plan for all Albany schools. Mrs. North was very active in the PTA units of Cornell, Herbert Hoover Jr. High School and Albany High School, holding various offices and chairmanships in each one.

While serving as District Recording Secretary of the then combined 16th District, which included Contra Costa and Alameda Counties, she was awarded the Honorary Life Membership to the National Organization of Parents and Teachers for the year 1946. During the second World War, Mrs. North was active in the Red Cross and served on Civilian Defense.

She grew up in Spokane, Washington, the oldest daughter of an English sea captain. Although she had her teaching credentials, she decided to forego teaching for marriage and California. She utilized her teaching ability however when she became actively engaged at the Albany Methodist Church where she was a member for 36 years. She taught Adult Sunday School and held the office of President of the Women's Society of the Church for five years. She was present chairman of Circle 3, and was financial secretary and treasurer for the past 17 years.

She was an employee of the Blind and Handicapped Products Co. of Oakland for the past five years.

She leaves two daughters: Mrs. Marjorie G. Kohler, 7711 Eureka Avenue, and Mrs. Dorothy Jacobs, 630 Liberty Street, both of El Cerrito; three sisters, Marie Scomberg of Sacramento, Lilly Lohstroh and Helen Steffan of Walnut Creek; and four grandchildren, Sherril, Valerie and Victoria Kohler and Sarah Jacobs.

BLANCH NELSON, Worthy Matron and Harold Chubbuck, Worthy Patron of Albany O.E.S., will preside at the meeting on Friday, February 1 at Albany Masonic Temple, 533 San Pablo Avenue at 8 p.m. The deputy Grand Matron, Betty Walker, past matron of Thousand Oaks Chapter, will make her official visit. Entertainment will follow the close of the meeting.

☆
ALBANY UNIT 292, American Legion Auxiliary Sewing Club will meet Friday, February 1 at 12 noon, at the home of Mrs. Betty Test, 717 Adams Street. The group is making carpet slippers for Oakland Veterans Hospital.

Marin, Cornell Seventh Grade Hear Thrity

Thrity Dadachanji, the American Field Service student, attending Albany High School, spoke to the 7th grade children at Marin and Cornell Schools January 10 and 11. Albany seventh graders are presently studying the countries of Asia; their history, geography, customs, and political organizations.

Thrity, who comes from Karachi, Pakistan, explained that Pakistan was a separate country because of the religious differences between India and Pakistan. Pakistan, a country divided on the East and the West by 2,000 miles of India, is made up largely of people of the Moslem

BETHEL 265 OF ALBANY will be meeting February 2 at the Albany Masonic Temple at 12:30 p.m. for the usual luncheon after which follows the regular meeting. Next meeting will be on February 21 at 7:30 p.m. Hoonred Queen Vertis Genievich presiding.

religion, whereas the Indian population is largely Hindu. Thrity also explained the type of schools in Karachi — she, herself, attends a private school, and has completed the 12th grade in this private school. Her family consists of two sisters and a brother, her mother and father. Mr. Dadachanji work for a bank in Karachi.

Following her talk the 7th grade children barraged Thrity with questions — What are the products of Pakistan? How do people travel in this country? What are the foods they eat? Is Pakistan a democracy? What diseases are common to the people? What is the history of Pakistan?

After more than an hour of listening to Thrity and directing questions to her, Albany 7th grade students were filled with a far better understanding of this rather strange and unknown

land. Thrity is presently living with Mr. and Mrs. L. Stocking and family, 1289 Brighton Avenue, Albany. She is delighted with Albany High School and is enjoying her stay in Albany. When she returns to Karachi she plans to continue her education and become a school teacher.
